

Mark ('84) and Becky Lanier hosted an Alumni & Prospective Student Reception in Houston in March at the Lanier Theological Library. The *Super Lawyers Blog* recently did a nice feature on the Lanier Theological Library, an Oxford inspired library dedicated to areas of theology, Biblical studies, Semitic languages, Judaic Studies, Classics, Philosophy, and Ancient Near Eastern studies. The Lanier Theological Library houses a comprehensive collection of books, periodicals, magazines, artifacts, and historical documents all designed to aid the serious study of Scripture. They estimate it will eventually hold 120,000 volumes. The library also has a speakers' series.
